4. Data Sources & Methodology

1. Executive Summary

This report presents a comprehensive SEO audit of **www.evergreencleaningservice.ca** for a **Local Service (hybrid): commercial and office cleaning company, one office at 243 Queen St W, Toronto, serving Toronto and 9 GTA municipalities through 11 location pages** site, generated on November 12, 2026. Findings combine technical, content, schema, performance, visual, and search-readiness evidence as available.

84/100

SEO HEALTH SCORE

Critical Issues Found:

1. Cost guide gives no Evergreen price while the Ads pages state 'From $30/hr' (client decision)
2. No case studies or own-work photos; all imagery stock
3. Thin third-party proof: 7 Google reviews, newest around September
4. Commercial and janitorial pages define the same thing and compete (fix in progress)
5. Quote checklist and janitorial page thinly linked (fix in progress)

Quick Wins:

1. Hero image preload on service pages (in progress)
2. Links into the quote checklist and janitorial page (in progress)
3. Cost guide updatedDate; llms.txt test coverage (round 2)
4. Janitorial page question H2s and reviews block (round 2)
5. 44 px area links on service pages (round 2)

2. Audit Categories

2.1 Technical SEO

Score: 92/100

What Works

- All 94 URLs return 200; no broken or http:// internal links; no canonical mismatches
- 62 sitemap URLs indexable, self-canonical, honest lastmod (new janitorial page and quote checklist included)
- HTML charset on every page; JS, fonts and XML unaffected; enforced CSP subset on every route
- verify:indexing 24/24; seo:drift 0 changes

Findings

Service-page area links and breadcrumbs under 44 px Low

24-30 px on offer pages; the Phase A pass missed them

Recommendation: Round 2

CSP still report-only Info

Stored reports unreadable with this token

Recommendation: Read a week of Workers Logs, then enforce

2.2 Content Quality

Score: 74/100

What Works

- Phase A copy fixes all observed live
- New quote checklist is distinct and well sourced
- Location review framing honest; Durham 'fixed evenings' removed

Findings

Cost guide gives no Evergreen price High

Ads pages state 'From $30/hr'; organic pages give none

Recommendation: Client decision

No case studies or own-work photos High

All imagery stock (now labelled on the gallery)

Recommendation: Photoshoot and case studies

Commercial and janitorial pages overlap Medium

Same definition and 'difference' explainer on both

Recommendation: In progress

No named people Medium

No owner, author or reviewer

Recommendation: Client

2.3 On-Page SEO

Score: 88/100

What Works

- All descriptions 155 chars or fewer
- Cost guide title has 'cost' again
- 25 distinct post closers; former orphans linked

Findings

Quote checklist has no in-body inlink Medium

Only template links

Recommendation: In progress

Janitorial page thinly linked; 5 'janitorial services' anchors point at the commercial page Medium

Body links from 3 pages

Recommendation: In progress

2.4 Schema / Structured Data

Score: 89/100

What Works

- areaServed derived from coverage.ts
- Durham as three City nodes in Durham Region
- One breadcrumb root

Findings

> **East York and York typed City** Low
>
> Former municipalities inside Toronto
>
> **Recommendation:** Round 2

2.5 Performance (CWV)

Score: 82/100

What Works

- Field p75 LCP 0.80 s, INP 48 ms, CLS 0.000
- Home mobile lab 90

Findings

> **Photo heroes made LCP a late image on service pages** Medium
>
> Office lab LCP 1.56 -> 2.38 s; no preload
>
> **Recommendation:** In progress: AVIF imagesrcset preload

> **Location LCP photo lacks fetchpriority** Low
>
> Mississauga
>
> **Recommendation:** In progress

2.6 AI Search Readiness

Score: 75/100

What Works

- All crawlers get full pages
- llms.txt lists 11 locations and both guides
- CAPTCHA error now points to email/phone

Findings

> **llms.txt test misses services and industries Low**
>
> Janitorial added by hand
>
> **Recommendation:** Round 2

> **Cost guide dateModified stale Low**
>
> Edited 7 Nov, reports 31 Oct
>
> **Recommendation:** Round 2

2.7 Images

Score: 89/100

What Works

- 0 images without dimensions or alt
- Heroes in AVIF/WebP/JPG 480/768/1200

Findings

> **Graffiti hero stretched from a 645 px source Medium**
>
> No 1200w variant
>
> **Recommendation:** In progress

---

3. Action Plan

Round 1: developer, in progress 12 Nov

- Service copy: commercial vs janitorial, links, alts
- Blog links: quote checklist, janitorial anchors
- Heroes and UI: preload, fetchpriority, video bubble, graffiti hero, fallback links

Round 2: developer Next

- llms.txt test coverage
- Cost guide updatedDate
- Janitorial page H2s, products, reviews
- East York/York typing
- Service-page 44 px area links
- Title rule
- Paid landing page lab test

Client and account owners As supplied

- Pricing or 'from $30/hr' permission
- Named people, photos, case studies
- Durham confirmation
- Reviews
- Ads text and container hygiene
- CSP logs
- Search Console
